

Joint British Association for Cancer Research-Gray Institute

One-Day Meeting

**DNA Damage Repair:
Translating scientific landmarks into new treatments for cancer**

14th March 2012

St Catherine's College, University of Oxford

ABSTRACT SUBMISSION

Instructions for Abstract Submission

If you wish to submit an abstract for poster presentation, from which some will be selected for presentation in the poster discussion session, please follow the instructions below.

Submission of an abstract does not constitute registration for the Conference. All authors must register for a delegate pass and pay the appropriate registration fee. The number of places at the conference may potentially be filled before registration closes, so authors are advised to register early.

Method of submission:

As an email attachment in Rich Text Format (preferably an MS Word document) to christina.woodward@oncology.ox.ac.uk with DNA Repair Conference in the email subject line.

Formatting:

- **The abstract should be typed single spaced using point size 10 in Rich Text Format**
- **The authors and addresses should start on the line following the title, with the name of the presenting author underlined**
- **The text should be separated from the authors and addresses by a blank line**
- **300 words is the maximum acceptable**
- **Do not include diagrams**

Submission of abstracts:

Please send an email attachment to: christina.woodward@oncology.ox.ac.uk

Important:

Name the attachment in the following manner:
DNA followed by presenting author's surname_first name.rtf
e.g. DNA abstract_woodward_christina.rtf

The closing date for abstract submission is Friday 13th January 2012

Any questions or problems please contact the conference co-ordinator Christina Woodward on christina.woodward@oncology.ox.ac.uk Tel: 01865 617021
