

BACR/Astex Pharmaceuticals - Roger Griffin Prize for Cancer Drug Discovery

The publication can be focussed on any aspect of cancer drug discovery related to chemistry, biology or both and must be available electronically online no sooner than January 1st and no later than December 31st of the previous year. The applicant must be first or last author. Shared first authorship is permissible. Applicants must either be a BACR member or become a member at the time of application. They must also be undertaking research in the UK or Republic of Ireland, but do not need to be a national of that country.

Please email all relevant documentation to Janet Alexander (BACR Secretariat) at: bacr@leeds.ac.uk with BACR Roger Griffin Prize in the subject line of the email.
